

THE STATE CHAMBER PUBLIC AFFAIRS FORUM

OKLAHOMA CITY CONVENTION CENTER | DECEMBER 6, 2022

THE FUTURE OF INNOVATION WILL BE ON CENTER STAGE!

The State Chamber's Public Affairs Forum ignites fresh thinking and innovation for today's Oklahoma business leaders. Join us for our inaugural "TED Talk" style event featuring state businesses showing the future of some of the highest profile industries in our nation, such as computer technology, film and TV production and aviation.

Legislative leaders will also give us a sneak peek into 2023 hot topics and how they will affect your bottom line. And finally, we will share our 2023 agenda initiatives and how Oklahoma's current economic competitive positions are impacting growth and prosperity in our state.
