

VOTE **YES** ON HB 2285

By Rep. Mark Lepak

Oklahoma is ranked 30TH in the country for its personal income tax. We can climb the ranks by making simple changes to the tax code with positive impacts on taxpayers!

SIMPLIFY THE BRACKETS

- Consolidates 6 tax brackets into 1.
- Increases the standard deduction to ensure no increased tax liability on low-income filers.

CUT THE RATE

- Reduces the rate from current 4.75% to 4.5%.
- Puts sound triggers in place for future rate cuts, *only if conditions permit.*
