

THE STATE CHAMBER STATE OF BUSINESS FORUM

NATIONAL COWBOY & WESTERN HERITAGE MUSEUM | DECEMBER 5, 2023

After months of hard work by The State Chamber's Council of Advisors, we are excited to unveil our 2024 annual agenda at this year's State of Business Forum. We'll also hear from Oklahoma's legislative leaders about the upcoming legislative session and their thoughts on the business community's priorities.

A slate of speakers will also take the stage, shining a light on wins for Oklahoma's workforce and economy. They will share the importance of business storytelling because when business succeeds, Oklahoma succeeds!
