KEYNOTE

DR. MARCI ROSSELL

Marci Rossell is a world-renowned economist and financial expert who electrifies audiences nationwide, speaking candidly on the nexus of economics, politics, culture, and the media.

She honed her animated style serving as the popular, lively Chief Economist for CNBC, where she became a household name and a must-watch source of financial news. The former co-host of the well-known “pre-market” morning news and talk show *Squawk Box*, Rossell is revered for taking complex economic issues, often dull in the button-down business press, and making them relevant to people’s lives, families, and careers.
