

SIGNATURE LEADERSHIP

Developing the critical soft skills of leadership.

WHAT'S INVOLVED?

- **Bi-Monthly Virtual Sessions:**

The Signature Leadership program is facilitated by a Magellan Executive Partner. Each Signature Series group consists of senior executives that meet for a two-hour virtual session every other month and work together, challenge each other, and fine tune their executive skills.

Signature Leaders are different. They create significance. They craft cultures where people love to work.

Signature Leaders are rare.
