

**STRONG READERS ACT**

# Support Teachers. Strengthen Reading Instruction.

**SB 1338**

Sen. Adam Pugh

## **WHAT SB 1338 DOES**

- Makes literacy coaches a permanent program, not a pilot
- Deploys trained literacy coaches to support schools
- Prioritizes help for schools with the highest reading challenges

## **WHY IT MATTERS**

- Teachers need real, hands-on support—not one-size-fits-all mandates
- Literacy coaches will help schools implement the science of reading in a classroom setting
- Schools that need help most get it first

## **ACCOUNTABILITY BUILT IN**

- Requires regular reporting on whether the program improves reading outcomes
- Ensures state resources are tied to results, not just effort
