

MOVE IDEAS FROM

RESEARCH TO MARKET

SB 1670 Sen. Aaron Reinhardt

Modernizing how university research is commercialized in Oklahoma.

WHAT SB 1670 DOES

- Updates intellectual property policies for public universities
- Establishes a tiered ownership and revenue-sharing framework
- Ensures inventors are compensated competitively
- Requires regular review to keep Oklahoma competitive

WHY IT MATTERS

- Oklahoma universities produce valuable research and innovation
- Clear, competitive IP rules attract private-sector partners
- Fair compensation encourages faculty and student entrepreneurship

BUILT FOR RESULTS

- Encourages industry-university collaboration
- Aligns Oklahoma with peer states' best practices
- Supports long-term economic growth through innovation

THE STATE CHAMBER

YES ON SB 1670
